# Cup Sponsor Wanted

## Information

The Finger Lakes Regional EMS Conference Committee is looking for a partner organization or business to join us in providing a welcome gift at our Regional Awards banquet on the Friday, February 21, 2025 during our conference. The cup partner will have their logo placed on the cup, along with the EMS Council. Anyone interested please email [jvanauker@flremsc.org](mailto:jvanauker@flremsc.org).

## Product Description

For thirsty folks across the land, 16 ounce silicone pints are more than a rugged alternative to the beer glass. From the patio to the campground, beach vacation or daily commute, these colorful, versatile drinking glasses are as flexible in shape as they are in utility. Our true American pint sized silicone cups have a thick and sturdy, yet squeezable walls that are not too squishy, and a grippy outer surface for extra safety.

Take your pint on-the-go with the 16oz lid that uniquely fits the 16oz pint. This silicone lid fits overtop of the pints. Snugly and securely it grips the outer surface of your cup and helps reduce leaks and spills. Straw hole or sipping spout + plug included on every lid.

**Drop it, Bake it, Squeeze it & more**

See the amazing features and benefits of our unbreakable drinkware.
